## How to find us

### Travelling By Car

From North or South of England, follow the M6 to junction 8. Take directions to M5 South to Worcester. Exit junction 1 of M5 and follow signs to West Bromwich.

At the top of the slip road stay in the right hand lane and take the 4<sup>th</sup> exit off the roundabout, following the sign for West Bromwich town centre.

Stay on this road for half a mile until you get to the traffic lights at the Trinity Way (A4031) junction. Continue ahead until you come to the next set of traffic lights (the Premier Travel Inn should be visible on your left hand side). Turn left here onto Bull Street and get into the right hand lane to follow the road round onto West Bromwich Ringway. Carry on straight ahead in the left hand lane and you'll see the bus station on your right; once you've passed the right turn for the bus station you can move into the right hand lane and turn right at the traffic lights onto St Michael Street.

At the next set of lights turn left to get back onto the main High Street. Then take the first left onto Victoria Street and Landchard House is located a little way down on the left hand side.

### By Public Transport

From Birmingham New Street, Wolverhampton, London or North West take a train to Sandwell and Dudley station. From the station it is best to get a taxi directly outside. Cost to our office is approximately £5.00.

Trains from North East and East Coast stations usually means a change at Birmingham New Street or Wolverhampton.

The Lodge Road Metro station is at the bottom of Victoria Street (turn right when you leave the station on Victoria Street and we're just up the road on the right). The West Bromwich Central Metro station is also close to our office.
